⊕ pp 3-4 below The Board submits copies ⊕ of the above letters of the District Supply Officer, South Kanara.

2. Consequent on the abolition of the posts of Firka Supply Officers on account of their replacement by Assistant Taluk Supply Officers, five temporary candidates who were working as Firka Supply Officers in the South Kanara District were formally discharged from their posts, by the Collector of South Kanara, on 30-4-51 afternoon. They were appointed under a separate order by the District Supply Officer, Mangalore to work as Lower Division clerks in the Rationing Department in the South Kanara District as their previous work was satisfactory. Of the 5 persons, 4 joined their new appointments in the Rationing Offices on 1-5-51 Forenoon, while one, on his relief in the old post on 3-5-51 Afternoon, joined the Rationing Office on 4-5-51 forenoon. In none of these cases, there was a break in service. However, the re-appointment of these 5 candidates in the Rationing Offices made by the District Supply Officer was not treated as a transfer by the Collector. The Collector now requests to be informed whether the candidates may be permitted to count their past service as Firka Supply Officers for purposes of pay, leave etc., on their re-appointment in the Rationing Officers.

3. It is true that there was a formal order discharging them from service on the abolition of the posts of the Firka Supply Officers and they were appointed to other posts by a fresh order. In the normal course the appointment after discharge should be regarded as fresh appointments and their earlier services in the temporary posts will not reckon for anything. To treat these appointments as 'transfer' thereby conferring on them the benefit of reckoning the past services for leave, increment etc., may not be in order. The Board however feels that this will work hard on them and that as there has been no break in service of these candidates, the service rendered by them in the Civil Supplies Department, either as Firka Supply Officers or clerks in the Rationing Offices previously should be allowed to reckon for all purposes. It accordingly requests the Government to permit the 5 candidates mentioned in the District Supply Officer's letter to count the services rendered by them as Firka Supply Officers etc. for purposes of seniority, pay, increments, leave etc., on their re-appointment as clerks in the Rationing Offices.

The posts of Firka Supply Officers in the Civil Supplies Department in this district were abolished with effect from 1-5-51 as per G.O. Ms. No. 712, Food and Agriculture dated 10-4-51 and consequently a good number of temporary staff working in the Civil Supplies staff were ousted from service for want of vacancy. The following persons who were working in the Civil Supplies Department for a pretty long time on being relieved from their posts in the Civil Supplies Department were, however re-appointed to work as Lower Division Clerks in the Rationing Offices in Mangalore in appreciation of their good work done in the Civil Supplies Department.

1. Janab S. Mohamed, Firka Supply Officer, Gurpur.
2. Sri K.Krishnaya, Firka Supply Officer, Puttur.
3. Sri K.Venkatesh Rao, Firka Supply Officer, Karkal.
4. Sri K. Adiraja Pandi, Firka Supply Officer, Belthangady.
5. Sri P.Krishna Bhat, Lower Division Clerk, Civil Supplies Section, Taluk Office, Karkal.

No. 1 to 4 were relieved from their posts of Firka Supply Officers on the afternoon of 30-4-51 and they joined their new appointments in the Rationing Offices on the forenoon of 1-5-51. No. 5 was relieved in his old post on 3-5-51 afternoon and he joined his new appointment on 4-5-51 forenoon. In all these cases there were no breaks in their services. Though the Posts of Firka Supply Officers and those of Lower Division Clerks in the Rationing Department belong to two different units, they come under the same catagory i.e. Civil Supplies Department. In the circumstances, I request orders whether their appointment in the Rationing Offices can be treated as transfer and whether their services in the Civil Supplies Department may be taken into consideration for the purposes of pay, seniority and grant of increment and leave, and whether they are eligible for transfer T.A. for journeys perfor ed by them from their old station to Mangalore.

District Supply Officer.

Civil Supplies Department. Their reappointment in the Rationing Department was not treated as a transfer in order to avoid unnecessary expenditure to Government by way of transfer T.A. There is, however, no objection to cancel the discharge order issued to them and to issue a transfer order instead, but they may be informed that they will not be entitled to any T.A. as their reappointment in the Rationing Department was in their own interest. Copies of the proceedings of their ousting and reappointment are enclosed for favour of perusal.

T.A.S.

*(T) In G.O. Ms. 712 T. & A. dt. 10.4.1951, the Govt. ordered that the scheme for the replacement of T.S.O.s by A.T.S.O.s. should ~~interalia~~ be extended to the S. Kanara dt. along with other dts. In pursuance of those orders, the Coll. of S. Kanara para 1 p.3 c.f. abolished† the posts of T.S.O.s in the S. Kanara dt. with effect from 1.5.51 and consequent on the abolition of the posts, five temporary candidates who were working as T.S.O.s were formally discharged from service on 30.4.1951 A.N., and ibid → para 2 p.3 c.f. they were appointed by a separate order as L.D. clerks in the Rationing Dept. of the S. Kanara dt. in view of their good work as T.S.O. Of the ibid five candidates, four candidates joined their new posts on 1.5.51 F.N. while the fifth candidate who was (actually) relieved from the post of T.S.O. only on 3.5.51, joined his appointment in the Rationing office on 4.5.51 F.N. Thus in the case of none of the five candidates was there any break in service. The Coll. of S. Kanara has reported† that ~~in none of the cases~~ the reappointment

† para 2 p.3 c.f.

‡ 11 on p.3 c.f.

of the five candidates in the Rationing offices was not treated as transfer ~~by the colls~~ and he has enquired ✓ C on fo 3 CF whether the candidates may be permitted to count their service as T.S.O for purpose of pay, leave etc on their reappointment in the Rationing offices.

2 The Bd * considers * fo n 3 that in as much as the candidates -fo CF were served with a formal order of discharge on the abolition of the posts of T.S.O's, their appointment after discharge should be treated as a fresh appointment and that it will not be in order to treat their appointment in the Rationing offices as on transfer. At the same time it feels ✗ that this will cause hardship ✗ ited to the candidates, ~~as~~ as there had been no break in their service and it has requested ⊙ that the candidates may ⊙ C on fo be permitted to count the service rendered by them as T.S.O.s for purposes of seniority, pay, increment etc in the post of clerk in the Rationing office.

3. Attention is invited ✓ fo 7-8 CF to G.O. No 165 Food ds 15.2.1949 It has been ordered in this G.O. of G that outsiders with no liven in any Govt office who were discharged from service (in the C.S. Dept) but are subsequently reappointed in the Rationing dept should on reemployment, draw only the minimum in the time Scale of pay applicable to the post to which they are appointed.

In view of this order the 5 candidates mentioned will be eligible to draw only the minimum of the scale of pay of L.D. clerks on their appointment as clerks in the Rationing Dept. However, as there was no break in the service of the candidates, it is for orders whether the Bd's request at c on p.c.f., will be agreed to as a special case overlooking the technical flaw in the case. After orders are passed the case may be sent to Pub(Sec) & Finance for remarks.

If the Govt. had any intention of employing these persons in the Rationing Branch as he seems to have had in this case, he need not have undergone the formality of discharging them & re-employing them. He could have simply transferred them to the Rationing Branch and obviated the difficulty.
